## **NEW MILL MAKE IT A QUARTET OF TITLE VICTORIES**

A week after their male counterparts, Pudsey, had won the BCGBA World Club Championship, **NEW MILL** (Yorkshire) added to their three previous title wins (2014, 2015 and 2016) in the BCG Ladies Club Championship with a comfortable 47 chalk victory over King George V (Warwick & Worcester) in this season's final. Ladies President, Sheila Whiteley, made the presentations.

Only twelve teams entered this season's championship and were divided into four groups of three teams, playing on a round-robin basis at Bridgewater BC (North Shropshire) with the four group winners qualifying for the semi-finals.

New Mill were drawn in the same group as defending champions, Wrockwardine Wood (Shropshire), and in the group decider, they booked their semi-final place with a 10 chalk victory in a close-fought match.

The 2010 champions, Wharton Cons (Mid Cheshire), stood in their way of a place in the final but despite losing the first two games they claimed the six remaining cards in a 43 chalk success.

Their final opponents drew their semi-final match with St Judes (Greater Manchester), 95 chalks each. In the event of a draw, the team with the most winners qualifies for the next round but as both teams shared the winning cards it went down to the team with the best winner. Both teams had a 15-5 card - game 7, Susan Schmechal (St Judes) and game 8, Jan Pratley (King George V) – so it went to the next best winner. Tracy Baker's 15-8 card in game 6 ensured her King George V side progressed to the final.

## LOUISE IS A CLASSIC WINNER

**LOUISE OLLERTON** (Greater Manchester) claimed the first silverware of the 2022 individual competitions by beating Anne O'Loughlin (Warwick & Worcester) 21-16 in the BCG Ladies County Average Winners Classic final.

The top county average winners from the 2019 season group matches descended on Poynton Sports Club (North Derbyshire) to decide the overall champion. Although not all winners could attend, counties were allowed to nominate the next available player in their averages.

Louise was drawn in the Preliminary Round where she opened up a 13-5 advantage against Lancashire's Lisa Kerford, only to see this reduced to one chalk as Lisa fought back to 12-13. Unfortunately for Lisa she couldn't maintain her momentum as Louise ran out 21-12 for game.

It was a similar scenario in round two against Harriet Nettel from Burton & District. Again, she opened up a 13-5 advantage but this time there was to be no comeback from her opponent as she eased to a 21-10 success.

She had a close call in her quarter-final clash with Sharon Masters (North Midlands), scoring the vital chalk in a 21-20 victory. From 12 across she went on a six-break to go 18 - 12 in front but she was made to sweat for the final chalks for victory with Sharon scoring a series of 'twos'.

A comfortable 21-5 defeat over Clair Russell from North Lancs & Fylde in the semi-final saw her up against Anne O'Loughlin in the final. Like all her games she opened up a commanding lead, this time 16-7 but three 'twos' in consecutive ends saw Anne reduce the deficit to just three chalks at 13-16. From here, the jack changed hands at every end until Louise secured the final chalk for victory.

BCG Ladies President, Sheila Whiteley, made the presentations to the winner, Louise (left) and runner-up, Anne (left). All scores can be viewed on the BCGBA website – [bcgba.org.uk](http://bcgba.org.uk).

## BCGBA DRESS CODE

The BCGBA Dress Code has been in operation now for some years but we continually endure problems at our events with players turning up and not conforming to the rule. This is despite all qualifiers and counties being made aware of our Dress Code rule and receiving a printed copy of the rule.

The main issue is trousers which must be single coloured, either full length or tailored knee-length shorts. In both instances they must be **Black** in colour - not Grey, not Navy, just plain Black. Nothing in our rule allows for the wearing of tracksuits, shell suits, denims, combat trousers, jeggings, skinny jeans or leggings.

Players are also required to wear a collared shirt and suitable footwear but in the event of rain, wet weather gear can be worn.

The Ladies do allow for the wearing of Black or Navy trousers but any lady competitor playing in a Men's event must wear Black.

## BCGBA FACEBOOK

Don't forget to visit the new BCGBA Facebook page which can be accessed via this [link](#).

Our Competitions Officer, Jim McGurk, ensures details of all of our

competitions (draws, results, photographs) for the men, ladies and juniors, together with other BCGBA related items of interest, are kept updated.

## JUNIOR BOWLS RETURN IN A NEW FORMAT

With the sad demise of junior bowlers throughout the counties, 2022 sees a new format for our remaining juniors. With only four counties able to field sides of 24 players (12 at home and 12 away) to compete in the **Junior County Championship**, the remaining counties formed a Junior Six-a-Side Championship.

Yorkshire's quest for a sixth Junior County Championship success got off to a winning start with a 74 chalk victory over Wales. Shropshire are now the only realistic contenders to dent the White Rose county's hope of a sixth

title after their 43 chalk defeat of a dogged and inexperienced Staffordshire side, in the four-team championship. The June fixtures will probably decide the outcome of the championship when Yorkshire and Shropshire meet.

All the individual scores from both competitions can be viewed via the BCGBA website, [bcgba.org.uk](http://bcgba.org.uk).
